

COWFORD

• C H O P H O U S E •

R E O P E N I N G F A Q

Cowford will be open Tuesday-Saturday 4-10p.m. serving happy hour items on the rooftop from 4-7p.m. and dinner service throughout the restaurant 5-10p.m.

We're maintaining the highest standard of sanitation procedures and taking every precaution to ensure the well-being of the community. We've answered some questions guests may have below. If you have additional questions about the measures we're taking to ensure the health and safety of guests and staff, please contact us at info@cowfordchophouse.com

How are you protecting the health and safety of your staff and guests?

In addition to the stringent safety and sanitation procedures Cowford maintains daily, we have implemented additional measures to ensure the health and safety of every guest. These steps include full cleaning and sanitation of the entire building daily as well as disinfecting all door handles, bathrooms and elevator areas in 30-minute intervals. All tables and menus are disinfected and sanitized after each use, or guests may choose to use our digital menu option if preferred. Additionally, we have hand sanitizing pumps available in the kitchen areas, near the front door and next to the elevator areas on all floors.

Are you resuming normal operating hours?

Cowford will be open for limited hours from 4-10p.m. Tuesday-Saturday. We will be serving happy hour items on the rooftop from 4-7p.m. and dinner service throughout the restaurant 5-10p.m. We will continue to monitor all state and local directives and keep guests fully informed on all updates related to our operating hours. Please visit our website for more information and menus.
